“Vignoble des Verdots is fully committed to an innovative approach to environmentally responsible and sustainable viticulture. The estate works to serve its terroir, soil and nature, while aiming to achieve carbon neutrality before 2030. We cultivate tradition and what is most precious in it, while breathing new life into it.”

A HISTORY

Made with the greatest precision, matured in vats in the traditional way, Clos des Verdots wines are the perfect expression of our terroir. These are supple, fruity wines to be drunk young. They are perfect to be shared for convivial moments with friends and family. This cuvée is made from a blend of 75% Merlot, 15% Cabernet Sauvignon and 10% Malbec.

TASTING NOTE

A brilliant robe of a beautiful, intense red.

An expressive nose with notes of red fruits and a hint of spices.

A flavorful and fruity mouth with a pleasant freshness on the palate, silky tannins and a nice roundness.

FOOD AND WINE PAIRING

This wine will accompany a platter of cold meats and cheeses as well as a barbecue or spicy dishes.
