"Vignoble des Verdots is fully committed to an innovative approach to environmentally responsible and sustainable viticulture. The estate works to serve its terroir, soil and nature, while aiming to achieve carbon neutrality before 2030. We cultivate tradition and what is most precious in it, while breathing new life into it."

A HISTORY

Le Grand Vin is designed for wine lovers and epicureans; it will delight the taste buds of the most experienced for many years.

This wine is made from a blend of 50% Merlot, 30% Cabernet Franc and 20% Cabernet Sauvignon from a selection of our best terroirs, on clay soil over limestone. The attentive care we provide to the vines, the manual harvest and the ageing in new French oak barrels, are all reasons that make this wine a Grand Vin.

TASTING NOTE

A purple colour, with a profound and aromatic nose.

A palate that combines power and finesse with silky tannins and lots of volume. It reveals intense red fruit notes and a finish with soft roasted and spicy touches.

FOOD AND WINE PAIRING

In its youth, it goes beautifully with a rib of beef on the bone or a roasted lamb shank. We recommend decanting it 2 hours before tasting.
