“Vignoble des Verdots is fully committed to an innovative approach to environmentally responsible and sustainable viticulture. The estate works to serve its terroir, soil and nature, while aiming to achieve carbon neutrality before 2030. We cultivate tradition and what is most precious in it, while breathing new life into it.”

A HISTORY

This range is of great elegance and will accompany you in your beautiful moments of conviviality. The red, the dry white or the Monbazillac are all partly matured in barrels, which gives them the right balance between finesse and power. They can be enjoyed now or kept for a few years.

Produced from the estate's old vines, this cuvée is made from a blend of 90% Merlot, 5% Cabernet Sauvignon and 5% Cabernet Franc. Its character and density are the result of its maturation in different barrels, previously used for our Grand Vin range.

TASTING NOTE

A brilliant, intense garnet red colour. A nose with spicy notes of black berries. A dense and characterful mouth, with melted tannins, peppery notes and aromas of black cherry and blackcurrant. Whether you are a novice, an amateur or an epicurean, it has everything to please you!

FOOD AND WINE PAIRING

It goes beautifully with a fillet of duck from the South-West of France, rib steak with shallots or soft cheeses such as Brie, Camembert or Munster.
